

PROGRAM COORDINATOR

School-to-School International (STS) is a nonprofit organization based in Pacifica, California, committed to improving the lives and learning of girls and boys worldwide through thoughtful research, practice, and partnerships. For more than a decade, we have partnered with individuals, government ministries, nongovernmental organizations, private foundations, and research institutions to improve the quality of children's learning through educational research and integrated support solutions for children in primary school. We have worked in more than 40 countries across the globe providing assistance in research and evaluation, curriculum and training, and policy and planning.

Role: The primary role of the program coordinator (PC) is to provide support to technical managers (TMs) in the execution and management of projects. The PC may also provide support to the School-to-School International (STS) Executive Director, Director of Programs, or Director of Business Development and respond to requests made by STS management on an as-needed basis.

The PC position is a great fit for someone interested in international development and looking to gain more familiarity with the industry while working for a small, collaborative, and fast-paced organization. The PC position requires close attention to detail, strong time management abilities, excellent communication skills, and a team attitude.
